Miss Esther I. Olson
New York, N. Y.

Dear Esther Olson:

It was a great pleasure to meet you at the Susan B. Anthony celebration, after all the correspondence we have had. You certainly did an excellent job in connection with the project in New York and you were most helpful in having the campaign go over the top.

I want you to know that I am most grateful to you for your suggestion that the Business and Professional Women's Club offer to contribute the bust and tablet to the Hall of Fame. I doubt that I would have thought of it, and in my opinion it is one of the most worthy projects that we have had.

I hope to see you in Boston.

With best wishes, I am

Sincerely yours,

Sarah T. Hughes
